The article is published in the magazine Magonia 14, August 2011.

ALIENATING FANCIES
The alienating machine fantasy in mythology and the contemporary mythos
Martin S. Kottmeyer

From the time of the first cave paintings, man has been fascinated by the idea of the alien. The alien is a creature that is not only a monster but also a philosopher. It is a creature that is not only a monster but also a philosopher. It is a creature that is not only a monster but also a philosopher.
