Dear Ignacio,

Thanks your very much for sending me your "THE PRINCIPLE OF COSMIC ELUSIVENESS". I found it a truely remarkable document, to say the least. For one who lives in Spain, your skill and treatment of the English language is most phenomEnal. The descriptive word usage is an incredible thing, of beauty that I have not seen anywhere else really.

I comprehend your thinking and hypothesis in about every instance. The common peasant over here in frantic America would not, for they have never been exposed to such prose. Your grasp of the total space/time universe is breathtaking. Yes, it looks like the perceptual systems of homo erectus will forever be unequal to the task. Not even its most knowledgable elements can ever fathom the final truth of it.

I have sent my recent article unpublished as yet , but it might be since I have good photos to go with it in with three publishing sources for your reading enjoyment. The photos are from the Washington

Dear Ignacio,

Thank you very much for your excellent 'THE PRINCIPLE OF COSMIC ELUSIVENESS'. It was both well done and thought provoking. I too, am a fan of the works of Don Elkins & Carla Rueckert.

I'm also a non-skeptic of UFOs even after 55 years of UFO research and investigations. And like a court of law, my UFO repetitions

studies says it all, in regards to new calls for scientific studies of the physical evidence behind the UFO phenomenon by at least a dozen countries this year. My warmest regards to you and yours and again my thanks. *George D. Fawcett*

Hello Ignacio,

Thanks for sending me that document you wrote. It's good to hear from persons like you who are more aware than the typical ufologist of what the strategy of the UFO aliens is.

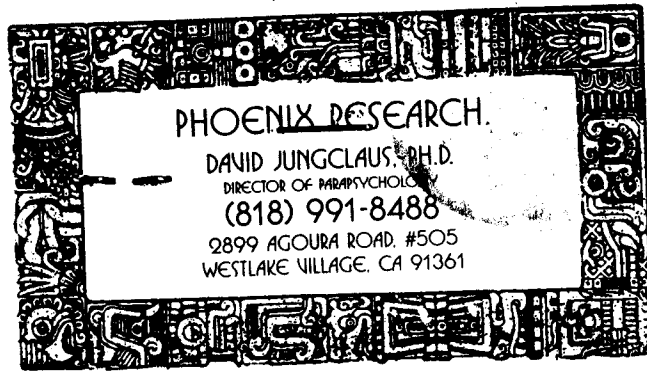

Regards,

Mr. Ignacio Darnaude Rojas-Marcos

Dear Sir:

I want to thank you for the fascinating poem you sent. I use the term "poem" because of the vast range of language and erudition it displays, and the compressed exposition of some very difficult concepts.

Enclosed is a gift in return. This is letterhead paper you might be able to use on the unwary. Yes, it is meant as a joke. But I think it is a good joke – on all "seekers." Alas, that means me, too.

I took the liberty of making several copies of the manuscript for the use of the very few people of my acquaintance who might appreciate it.

Sincerely,

R. J. Durant
