Ignacio, my dear friend,

This daily examination has helped me in identifying the influences of undesirable entities directed toward me.

If you will read chapter 22 in the Book of Lika of OAHSPÉ a better understanding and purpose of this exercise using this form can be obtained. It is not easy to do, but above all - be honest to yourself and keep this record in a safe place away from the eyes of anyone.

By making twelve copies of this form, you will have space for every day of the year. Then, at the end of the year, you can make a just evaluation of your efforts; or for that matter you can observe your efforts on a more frequent basis if you like.

May the All Highest ever guide you.

Peace + Love
