	Accession 2002-M-015. Additional material	1972-1974
	<p>These tapes may duplicate audiocassette tapes in the original accession (Boxes 7a-7q, 8a-8q, 9a-9q, 10a-10p, and 11a-11p). Tape numbers on the reel-to-reel tapes in this accession were transcribed from the original boxes. Dates of tapes included in this inventory were transcribed from the original boxes; when no date exists in the inventory, there was none on the box to transcribe. The tapes in this accession were originally recorded by Don Hall. According to a researcher, some of these reel-to-reel tapes were used by Richard Kendall to create the audiocassettes in Accession 1998-M-079. The compact discs (and use copies) in Accession 2001-M-058 possibly duplicate the contents of the reel-to-reel tapes in this accession and the Kendall audiocassettes in Accession 1998-M-079.</p> <p>Original audiovisual materials, as well as preservation and duplicating masters, may not be played. Researchers must consult use copies, or if none exist must pay for a use copy, which is retained by the repository. Researchers wishing to obtain an additional copy for their personal use should consult Copying Services information on the Manuscripts and Archives web site.</p> <p>Received from Mary Rouen, Brass Ring Bookstore (Eugene, OR), 2001.</p> <p>Reel-to-reel tapes of ESP class sessions taught by Jane Roberts</p>
