COMMUNION LETTER

© 1989, Wilson and Neff, Inc.

UFO contact.

Lies, hysteria, overblown claims -

And yet...

People all across the world are encountering strain beings in their homes and even in the streets...along the roads of dream and night.

So what is happening?

Close-encounter witnesses like Whitley Strieber, wrote the international bestseller Communion, say the in contact with an unknown intelligence.

An avalanche of witness testimony supports such Yet there is no scientific study, little real information no help.

Self styled "abductee" investigators confuse with amateur hypnosis.

Rumors sweep the country that evil aliens are inv

Debunkers methodically spread lies about public admitted witnesses.

Now, The Communion Letter - written and edited witnesses - offers the first objective, clear, inside loc

at the experience of contact. No rumor mongering. hysteria. Just good solid reporting and original testi Join us four times a year for sixteen pages of new testimony and illustrations. Keep up with the stunni attempt that Whitley Strieber and thousands of other making to build a relationship with the unknown.

- Learn how to respond usefully and effectively to the visitors if they appear in your life.
- Discover the mystery, the wonder, and the beauty of the experience...the things that ordinary media will not reveal...the strange and wonderful truths that are rushing up out of the darkness.

The Communion Letter. An unforgettable journey into the unknown.
