Revelations concerning MJ-12

from Colonel Steve Wilson, USAF (ret.),
former director of Project Pounce, 10/12/96:

MJ-12 is an 'Ultra Top-Secret' research & development Intelligence operation. **MJ-12** was established by President Truman on September 24, 1947. Later, **MJ-12** was set up as a "Committee" inside the National Security Council (NSC) by President Eisenhower in 1954 by Secret Executive "Order Number 54-12". The NSC called this group the "**54-12 Committee**" with the President having responsibility to approve all "Black" (covert) projects.

The **MJ-12 Group** since then has been called the "Special Committee", the "303 Committee", and currently the "40 Committee". It is described as the "Directorate" of the NSC. The "40 Committee" (PI-40) has access to advanced technology and teams to conduct "the cover-ups". In the past, this committee was headed by Dr. Henry Kissenger (codename: "The Overseer").

Operation Majority - CR-20M7/6.2 - FILE: MTR/K-25 MWC/JL - AFMWC/1972USN

Operation Majority is the name of the operation responsible for every aspect, project, and all consequences of *alien* presence on Earth.

Majesty was listed as the codename for the President of the United States for communications concerning this information.

Grudge contains 16 volumes of documented information collected from the beginning of the United States investigation of the Unidentified Flying Objects (UFOs) and Identified Alien Crafts (IACs). The project was funded by the CIA (confidential funds, non-appropriated) and money from the illicit drug trade. (It was rumored in the higher echelons of the Air Force that participation in the illegal drug trade was justified in that it would identify and eliminate the weak elements of our society.)

The purpose of Grudge was to collect all scientific, technological, medical, and intelligence information from UFO & IAC sightings as well as contacts with Alien Life Forms (ALFs). This orderly file of collected information has been used to advance the United States Air Force Space Program ('Ultra Top-Secret').

Jason Society -- Former President Eisenhower commissioned a secret society known as the "Jason Society" (or Jason Scholars) -- under the leadership of the following: Director of Central Intelligence, Allen Welsh Dulles; Dr Zbigniew Brzezinski, President of the Trilateral Commission from 1973 until 1976; and Dr. Henry Kissenger, leader of the scientific effort -- to sift through all the facts, evidence,

technology, lies, and deceptions and find the truth of the *alien* question. The society was made up of 32 of the most prominent men in the USA.

MJ-12 is the name of the secret control group inside the Jason Society. The top 12 members of the 32 members of the Jason Society were designated as MJ-12. It has control of everything. They are designated by the code 'J-1', 'J-2', 'J-3', etc. all the way through the members of the Jason Society. The director of Central Intelligence was appointed 'J-1' and is the Director of the MJ-12 group. MJ-12 used to only be responsible to the President of the United States (not true anymore).

The actual cost of funding the *alien*-connected projects is higher than anything you could imagine! Believe it or not, MJ-12 runs most of the World's illegal drug trade. This was done to hide funding and thus keep the secret from Congress and the people of the United States. It was justified in that it would identify and eliminate the weak and undesired elements of our society.

A secret meeting place was constructed for the MJ-12 group in Maryland and is only accessible by air. It contains full living, recreational, and other facilities for the MJ-12 group and the Jason Society. It is code named the "Country Club". The land for the Country Club was donated by the Rockefeller family. Only those with 'Ultra Top-Secret'/MAJI' clearances are allowed to go there.

MAJI (Majority Agency for Joint Intelligence) -- All information, disinformation, and intelligence is gathered and evaluated by this agency. This agency is responsible for all disinformation and operates in conjunction with the CIA, NSA, DIA, and the Office of Naval Intelligence. This is a very powerful organization. And all alien projects are under its control. MAJI is responsible only to MJ-12. 'MAJIC' is the security classification and clearance of all *alien*-connected material, projects, and information. 'MAJIC' means MAJI-Controlled (MAJI plus Controlled = MAJIC). NOTE: 'MJ-1' is the classification for the Director of MAJI, who is the Director of the CIA and reports only to the President. Other members of MAJI are designated 'MJ-2', 'MJ-3', etc. This is why there is some confusion about references of MJ-12 the group or MJ-12 the person.

* Designation for MJ-12, the group are MAJI or MAJIC* Designation in official documents about MJ-12 means the person only.

In 1947, **Project Sign** was created to acquire as much information as possible about UFOs, their performance characteristics, and their purposes. In order to preserve security, liason between Project Sign and MJ-12 was limited to 2 individuals within the intelligence division of the Air Material Command whose roll was to pass along certain types of information through channels. Project Sign evolved into **Project Grudge** in December of 1948. Project Grudge had an overt civilian counterpart named Project Blue Book (with which we are all familiar). Only "Safe" reports were passed to Project Blue Book.

MJ-12 was originally organized by General George C. Marshall in July 1947 to study the Roswell-Magdalena UFO crash recovery and debris. Admiral Hillenkoetter (director of the CIA from May 1, 1947 until September 1950) decided to activate the "Robertson Panel" which was designed to monitor civilian UFO study groups that were appearing all over the Country. He also joined NICAP in 1956 and was chosen as a member of its board of directors. It was from this position that he was able to act as the MJ-12 "mole" along with his team of other covert experts. They were able to steer NICAP in any direction they wanted to go.

With the "Flying Saucer Program" under complete control of MJ-12 and with the physical evidence hidden away, General Marshall felt more at ease with this very bizarre situation. These men and their successors have most successfully kept most of the public (including much of the Western World)

fooled up to the present by setting up false experts and throwing their influence behind them to make their plan work. With considerable success until now.

Within 6 months of the Roswell crash on July 2, 1947 and the finding of another crashed UFO at San Augustine Flats near Magdalena, New Mexico on July 3, 1947, a great deal of reorganization of agencies and shuffling of people took place. The main thrust behind the original "Security Lid" and the very reason for its construction was the analysis and attempted duplication of the technologies of the discs. The activity was headed up by the following groups:

- the Research and Development Board (R&DB)
- Air Force Research and Development (AFRD)
- The Office of Naval Research (ONR)
- CIA Office of Scientific Intelligence (CIA-OSI)
- NSA Office of Scientific Intelligence (NSA-OSI)

No single one of these groups knew the whole story. Each group was to know only the parts that MJ-12 allowed them to know. MJ-12 also operates through the various civilian intelligence and investigative groups. The CIA and FBI are manipulated by MJ-12 to carry out their purposes. The NSA was created in the first place to protect the secret of the recovered flying discs and eventually got complete control over all communication intelligence. This control allows the NSA to monitor any individual through mail, telephone, telexes, telegrams, and now through on-line computers, monitoring private and personal communications as they may desire.

the MAJIC projects:

Sigma is the project which first established communications with the *aliens* and is responsible for communications.

Plato is the project responsible for diplomatic relations with the *aliens*. This project secured a formal treaty with the *aliens*.

Aquarius is the project which compiled the history of the *alien* presence and interaction on Earth and the homo sapiens.

Garnet is the project responsible for control of all information and documents regarding the *alien* subjects and accountability of their information and documents.

Pluto is a project responsible for evaluating all UFO and IAC information pertaining to space technology.

Pounce project was formed to recover all downed and/or crashed craft and *aliens*. This project provided cover stories and operations to mask the true endeavor whenever necessary. Covers which have been used were crashed experimental aircraft, construction, mining, etc. This project has been successful and is ongoing today.

NRO is the National Reconnaissance Organization based at Fort Carson, Colorado. It's responsible for security on all *alien* or *alien spacecraft* connected to the projects.

Delta is the designation for the specific arm of NRO which is especially trained and tasked with security of all MAJI projects. It's a security team and task force from NRO especially trained to provide Alien tasked projects and LUNA security (also has the codename "Men In Black" [MIB]). This project is ongoing.

Blue Team is the first project responsible for reaction and/or recovery of downed and/or crashed *alien craft* and/or *aliens*. This was a U.S. Air Force Material Command (AMC) project.

Sign is the second project responsible for collection of intelligence and determining whether *alien* presence constitutes a treat to the U.S. national security. **Sign** absorbed the **Blue Team** project. This was a U.S. Air Force and CIA project.

Redlight was the project to test fly recovered *alien* craft. This project was postponed after every attempt resulted in the destruction of the craft and death of the pilots. This project was carried out at Area-51, Groom Lake (Dreamland) in Nevada. Project **Redlight** was resumed in 1972. This project has been partially successful. UFO sightings of craft accompanied by Black Helicopters are Project **Redlight** assets. This project is now ongoing at Area-51 in Nevada. (It is believed to have moved to Mexico at this time for testing).

Snowbird was established as a cover for Project **Redlight**. A "Flying Saucer" type aircraft was built using conventional technology. It was unveiled to the Press and flown in public on several occasions. The purpose was to explain accidental sightings or disclosures of **Redlight** as having been **Snowbird** crafts. This was a very successful disinformation operation. This project is only activated when needed. This deception has not been used for many years. This project is currently in mothballs until it is needed again.

Blue Book was a U.S. Air Force, UFO, and *Alien* Intelligence collection and disinformation project. This project was terminated, and its collected information and duties were absorbed by Project **Aquarius**. A classified report named "**Grudge/Blue Book, Report Number 13**" is the only significant information derived from the project and is unavailable to the public.
