UFO Abduction and Contactee Messages -- An Analysis

Hundreds of thousands of people in many parts of the World are claiming they are encountering UFO entities in one way or another. They have had what is called an "Close Encounter of the Third or Fourth Kind" -- a term used by ufologist J. Allen Hynek. There is also growing public interest in this phenomena due to media attention. Some contactees and abductees and also some claiming to be "channeling" *extraterrestrials* are being revealed the following kinds of information:

We are not alone in the Universe. We are told that this Earth has been visited many times in the past and presently by different types of *extraterrestrials*. These *ETs* have been involved with our creation, evolution, religions, myths, beliefs, etc.

Some contactees are being told that humans are the consequence of *ET* encounters with earlier forms of man. Without this contact, man never would have evolved to the point we have. Rael -- the chosen prophet and messiah of the *Raelian* movement -- was told as a contactee, that mankind was created by a group of *ETs* called the *Elohim* using advanced genetic engineering in laboratories [4]. Others who believe in the messages of the *Pleiadians* are told that the *Pleiadian* ancestors were some of the Original Planners of Earth who seeded this and other worlds [12]. Whatever the explanation, we are told *ETs* are involved with our evolution and creation.

Some contactees are being told that "Humankind stands now in the transitional period before the dawn of a New Age. (With peace, love and understanding, the people of Earth will see a great new era begin to dawn.) The Space Beings are here to teach, to help awaken the human spirit, to help humankind rise to higher levels of vibration so that the people of Earth may be ready to enter new dimensions [1]. We are poised for a quantum leap forward on both the biological and spiritual levels. The human soul will evolve.

"If the Earthlings should not raise their vibratory rate within a set period of time, severe Earth changes and major cataclysms will take place. (Such disasters will not end the World but shall serve as

cataclysmic crucibles to burn off the dross of unreceptive humanity. Those who die in such dreadful purging will be allowed to reincarnate on higher levels of development so that their salvation will be more readily accomplished through higher teachings on a higher vibratory level.)" [2]

Others are being told that the receptive or chosen will be saved by benign *ETs* and *their* ships when these disasters take place. Some (like the *Raelians*) are told they will experience some kind of eternal existence through further genetic engineering (i.e., cloning). **[StealthSkater note: similar stuff can be found in the Dan Burisch story whose experience in alien biology accidentally found a so-called Ganesh Particle that is the secret to Life => [doc](#) [pdf](#) [URL](#)]**

A major leap in consciousness and evolution is about to take place. Crop circles, UFO sightings, and contactee and abductee experiences are preparing those who are receptive of these changes. Events such as the Harmonic Convergence are lifting the veil so the Higher Galactic intelligences of the Universe will be able to channel their energies and influences to facilitate the shift towards a New Age [12].

Evidence for these claims are: the many abductee and contactee experiences with similar stories and messages, physical scars, hybrid babies, recognition of some kind of symbolic or *hieroglyphic* language, etc. There seems to be according to researchers increasing cases worldwide of UFO sightings; crop or landing circles; animal mutilations; abductions of men, women, and children.

According to Dr. Karla Turner, who has worked with over 400 abduction cases and has written the book Into the Fringe, says if abduction accounts can be believed and there is confirmation of many of these facts with other researchers - the abduction phenomena includes some of the following details: from -UFO Universe, Spring 1993. "Aliens -- Friends or Foes "by Dr. Karla Turner:

- *Aliens* can alter our perceptions of our surroundings.
- *Aliens* can control what we think we see. *They* can appear to us any number of guises and shapes.
- *Aliens* can be present with us in an invisible state and can make themselves only partially visible.
- Abductees receive marks on their bodies other than the well-known scoops and straight-line scars. These other marks include single punctures, multiple punctures, large bruises, 3-and 4-fingered claw marks, and trangles of every possible sort.
- Female abductees often suffer serious gynecological problems after their *alien* encounters. Sometimes these problems lead to cysts, tumors, cancer of the breast and uterus, and to hysterectomies.
- A surprising number of abductees suffer from serious illnesses they didn't have before their encounters. These have led to surgery, debilitation, and even death from causes the doctors can't identify.
- Abductees often encounter more than one sort of *alien* during an experience (not just the "greys"). Every possible combination of grey, reptoid, insectoid, blond, and widow's peak have been seen during single abductions aboard the same craft or in the same facility.
- Abductees report being scoffed at, jeered at, and threatened by their *alien* captors. Painful genital and anal probes are performed... Unknown fluids are injected into some abductees.
- Abductees --"virgin" cases -- report being taken to underground facilities where they see grotesque hybrid creatures, nurseries of hybrid humanoid fetuses, and vats of colored liquid filled with parts of human bodies.

- Abductees report seeing other humans in these facilities being drained of blood, being mutilated, flayed, and dismembered, and stacked lifeless like cords of wood. Some abductees have been threatened that they too will end up in this condition if they don't cooperate with their *alien* captors.
- *Aliens* come into homes and temporarily remove young children, leaving their distraught parents paralyzed and helpless. In cases where a parent has been able to protest, the *aliens* insist that "*The children belong to us.*"
- *Aliens* have forced their human abductees to have sexual intercourse with *aliens* and even with other abductees while groups of *aliens* observe these performances. In such encounters, the *aliens* have sometimes disguised themselves in order to gain the cooperation of the abductee, appearing in such forms as Jesus, the Pope, certain celebrities, and even the dead spouses of the abductees.
- *Aliens* perform extremely painful experiments or procedures on abductees, saying that these acts are necessary but give no explanation why... Painful genital and anal probes are performed, on children as well as adults.
- *Aliens* make predictions of an imminent period of global chaos and destruction. They say that a certain number of humans... will be "rescued" from the Planet in order to continue the species, either on another planet or back on Earth after the destruction is over. Many abductees report they don't believe their *alien* captors and foresee instead a much more sinister use of the "rescued" humans.

"In every instance from this list, there are multiple reports from unrelated cases confirming that such bizarre details are not the product of a single deranged mind. These details are convincing evidence that contrary to the claims of many UFO researchers, the abduction experience isn't limited to uniform pattern of events. This phenomenon simply can't be explained in terms of cross- breeding experiments or scientific research into the human physiology..."

"Before we allow ourselves to believe in the benevolence of the *alien* interaction , we should ask do enlightened beings need to use the cover of night to perform good deeds? Do they need to paralyze us and render us helpless to resist? Do angels need to steal our fetuses? Do they need to manipulate our children's genitals and probe our rectums? Are fear, pain, and deception consistent with high spiritual motives?" -- Dr. Karla Turner.

Some Philosophical and Other Problems with these messages

While there seems to be evidence for UFO-related activities as mentioned above, perhaps there are other possible explanations. Many UFO paranormal, psychic, and spiritistic manifestations, etc. [5] [6]. Many abductees, contactees, and researchers believe there is an **inter-dimensional** or **multidimensional** quality to the UFO phenomena and experiences with *ETs*. Although the UFO phenomena may be real, it also could be a **holographic illusion** or a **transmoration of matter and energy**. Perhaps *ETs* are entities that have power to shape matter and spirit. Some *alien* lifeforms seem to have an ability to shape shift and appear and disappear [5] [6]. Dr. J. Allen Hyneck suggested the phenomena appears to be more *psychic* than extraterrestrial and perhaps comes from a parallel world. This also seems to be Dr. Vallee's explanation [6] [9].

Dr. Vallee also notes that there are authoritarian overtones to some of the messages given to contactees [8] -- i.e., democracy is obsolete, elections should be done away with [4], racist ideologies are encouraged -- some have more *alien* DNA etc., a New World Order is needed and will be set up with alien help. He also believes that some kind of control system is being set up by the UFO phenomena which challenges our traditions and human beliefs systems [6] [8]. Many abductees report implants and feel they are being manipulated for some unknown purpose that's yet to be revealed.

Much of the messages given to abductees and contactees seem to be New Age in philosophical orientation and language. There are no moral absolutes; reincarnation is taught; monistic beliefs such as a vague "kinship with the Cosmos and it's oneness with the Universe or the Universe as a supreme being" are common, we are being told that "we stand on the precipice of a quantum leap forward on both a biological and spiritual level." Man is or is becoming God...etc. [3] [13].

If man is one with the cosmos or some impersonal concept of God, there cannot be a basis for truth or ethics. The impersonal as such is silent about such things. There is no basis for saying anything is right or wrong if all is one with God. What you are left with is total relativism or the arbitrary absolutes of the controllers who ever they may be. "If All is One , good and evil are reconciled, then one can do nothing bad. Thus Manson was only acting logically.... The fact that Manson's followers knew him as both Satan and Christ highlights the collapse of distinctions between good and evil under moral relativity" [13].

As well, finite **alien** creators cannot provide sufficient absolutes. You have the same problems as pagan polytheism -- the gods are too small to account for the creation of the universe and not good enough to provide a basis of morals and truth. Is abducting and raping women okay if *extraterrestrials* do it? Also, why all the authoritarian overtones to some of the messages? Do they really have our best interest in mind or is there evidence of some kind of control system?

There are several *alien* types taking credit for the creation of man and now some contactees like Rael and Benjamin Cream are claiming to be prophets of some messianic authority. In fact, Rael is claiming to be the new final prophet and chosen "Messiah" of this age... chosen by a group of *extraterrestrials* who call themselves the *Eloheim* who told Rael that they created the human race through genetic engineering. Rael has over 35,000 followers worldwide who call themselves Raelians... And they wish with the *Eloheim's* help -to usher in a world government ruled by an authoritarian elite [4].

Cream is promoting another "messiah" he calls "Maytrea". Full-page ads in newspapers around the world has announced that this world teacher is in the world today. Cream is also convinced that the

intelligences behind the crop circle phenomena are paving the way for the soon unveiling of his messiah who will usher in a New World Order and a New Age.

Skye Ambrose -- a famous abductee who was "born again" as she said as a result her encounter with a strange "grey" type *alien* with bright sparkling eyes predicted at a recent UFO conference in Bellevue, Washington -- said that "evolution was entering a "peak cycle" that will create a New Order on the planet. Polarization is occurring on this planet to separate those who will accept the message and evolve toward Unity and Oneness and self-realized Godhood and those who will not not."

Many *alien* prophecies to contactees of the 50s or today have failed to come true or appear to be outright lies [14]. Many contactees and abductees to-day are again delivering warnings of coming Earth changes and disasters along with promises of help from *aliens*... They feel chosen to deliver a message to mankind ... The prophecies are creating a false hope and dependency in their abductors who they know little about.

So what are we dealing with? New Age *aliens* with some promise of a golden age or some unimaginable deception to enslave undiscerning minds. The evidence seems to point to the latter. There have been many false messianic claims and those foolish enough to repeat history by following the voices of deceiving entities have been warned to "beware of false prophets and Christ's who come disguised as sheep but underneath are ravenous wolves " [10]. We should be reminded of the likes of Adolf Hitler who not long ago promised a New Age to unsuspecting Germans.

Whitley Striber -- in a recent issue of the monthly *MUFON Journal*, Sept. 93 -- states, "I've come away from this experience convinced of one thing. If there aren't demons out there, there might as well be, because these guys are indistinguishable from demons. Indistinguishable. To see them, to look into their eyes, is to be less - forever....." Striber seems to swing from horror to naive trust. You see this in his books and statements to the public. Perhaps, he is not so sure of the visitor's intentions.

Perhaps we should heed the old warning: 'If anyone says to you then, "Look, here is the Christ" or "He is there", do not believe it. For false Christ and false prophets will arise and produce great signs and portents, enough to deceive even the chosen if that were possible." [11]

Some UFO researchers suggest that perhaps the so called "*aliens*" aren't much of a threat. After all, if *they* have been around for this long and have not taken over, then why should we be concerned? However, if *they* are not what they appear to be and the phenomena has other potentials and realities which include: deception, false messianic claims, dangerous ideologies, the formation of cults, etc., then for historical, social, and political reasons we should not abandon our need for discernment and caution.
